REGISTRATION DUE - June 17

1. Google Form

All medicines must have a doctor's signature to be at camp & prescription meds must be in the original container.

2. Lice Form

Filled out by church representative on Monday, July 15

Please Note: Cellphones and other technology are prohibited for campers.

Just hearing a parent's voice can cause homesickness in a child, for this reason we do not allow calls home. We do our best to help your child feel comfortable at camp, plus we keep them busy with so much fun they don't have time to be homesick! We're sure your child will arrive back home on Friday with plenty of amazing memories ready to share with you!

Kids Camp Lice Check Form

Please bring this form with you to Camp Check In.

Church Name: _____ **Church City:** _____

All kids are required to have a head check for lice within 24 hours of their arrival at Kids Camp. Have a qualified person (teacher, nurse, chaperone, etc.) give each child a thorough check and complete the list below with each child's name. Have that qualified person sign verifying that each child is free of lice. We recommend that you perform this check on the Sunday AM prior to your departure.

Camper's Name	Lice free?	Camper's Name	Lice Free?

*I have checked each of these children for lice, and they are lice free. I understand that if children are brought to Camp with lice, they may be sent home.

Printed Name of Qualified Person Signature of Qualified Person

(Duplicate this form as needed or use the back to add more names.)

The NY Ministry Network Children's Dept has adopted a "No Nit Policy" for our camp. The spirit of this policy is to minimize head lice infestations as a public health problem and to keep children at our events lice and nit free. For more information and help on this policy, you can visit www.headlice.org/downloads/nonitpolicy.htm. Thank you for helping us keep your children as safe and healthy as possible!
